

**REMARKS**

A brief description of Figs. 6A, 6B, 7A and 7B was added by Examiner's Amendment in the Notice of Allowance mailed February 10, 2009.

Applicant has requested changes to the description of Figs. 6A and 6B as set forth above, to make the descriptions more consistent with the supporting disclosure at page 15, lines 11-20 of the specification.

This amendment deals with formal matters only, and presents no new issues for further consideration or search. The amendment is presented after allowance only because the subject matter being amended was added upon allowance.

Respectfully submitted,
